|--------------|------------------|--------------|--------------|
|--------------|------------------|--------------|--------------|

- \* You must comply with the dates of final exams that are approved by the Deanship of Admissions and Registration.
- \* Freshmen students can not make any changes to their schedule after registration.

**Note:**

Your registration will be canceled if it does not fulfill the pre-requisites or restrictions of registration.  
You will not be allowed to register in the placement test if you are registered in the preliminary course for that subject.
