Recommendation Letter for Amal Alotaibi

To Whom It May Concern:

I am writing to you in support Amal Alotaibi. Please be informed that Amal Alotaibi graduated as a Computer Engineer from Kuwait College of Science and Technology (KCST). During her time as student in our department, Amal Alotaibi has done excellent performance in my class that obtained a "A" grade in "CE403: Minor Project" during the Spring 2019-2020. Amal Alotaibi demonstrated exceptional participation and proficiency by successfully completing the project in her project "Parent's Surveillance System Using Internet of Things (IoT)" Minor Project at KCST. Her commitment to enhancing her research skills is evident in her active participation and achievement in this rigorous educational program.

All things considered, Amal Alotaibi is undoubtedly a talented student with great potential. I do not doubt that she can qualify for your honourable program. If there is anything else I can do to support her application; Please don't hesitate to contact me if you require any further details.

Sincerely yours,

Dr Basil Alothman, Assistant Professor
Department of Computer Science and Engineering
Kuwait College of Science and Technology (KCST)
